

COURSE CHAIRMAN
Bruno PEIRONE Med Vet Dr Ric. Prof. Ord. Università di Torino

CO-CHAIRMAN
Ullrich REIF Med Vet, Dipl ECVS ACVS Bobingen (D)

FACULTY
Alessandro BOERO Med Vet Dott Ric Alba (CN)
Bruno PEIRONE Med Vet Dr Ric. Prof. Ord. Università di Torino
Lisa PIRAS Med Vet, Dott Ric Torino
Luca VEZZONI Med Vet., Cremona
Ullrich REIF Med Vet, Dipl ECVS ACVS Bobingen (D)

First day, Friday October 19th 2018

- 08.30 Registraton
- 09.00 Welcome and course Introduction
- 09.10 Principles of application of plate (Compression, Neutralization, Biut-tress) *B. Peirone*
- 09.30 Surgical approach of the radius-ulna and diaphysela fracture treatment *U. Reif*
- 09.50 Coffee Break**
- 10.10 Wetlab introduction *U. Reif*
- 10.20 Radius-Ulna radius-ulna traverse fracture Video *U. Reif*
- 10.30 Cadaver Wet lab**
Radio-Ulna
Surgical approach of the radius-ulna and transverse fracture treatment with compressione plate
- 12.30 Lunch Break**
- 13.40 Locking Compression Plate (LCP) *A. Boero*
- 14.00 Surgical approach of the tibia and diaphysela fracture treatment *L. Piras*
- 14.20 Tibia Tibia wedge fracture Video *L. Piras*
- 14.30 Cadaver Wet lab**
Tibia
Tibia wedge fracture
Surgical approach of the tibia and fracture fixation with lag screws and neutral plate
- 16.30 Coffee Break**
- 17.00 Plenary discussion on post-op radio-graphs Radius-Ulna and Tibia
- 18.00 Questions and Answers

Second day, Saturday October 20th 2018

- 08.30 Complication with standard (non *U. Reif* locking) plates
- 08.50 Surgical approach of the humerus and diaphysela fracture treatment *L. Vezzoni*
- 09.10 Coffee Break**
- 09.40 Humerus Short oblique fracture of the humerus Video *L. Vezzoni*
- 09.50 Cadaver wet lab**
Humerus
Surgical approach of the humerus and fracture fixation with lag screws and neutral plate
- 11.50 Complication with locking plate *B. Peirone*
- 12.10 Surgical approach of the femur and diaphysela fracture treatment *A. Boero*
- 12.30 Luch Break**
- 13.30 Femur Comminuted fracture Video *A. Boero*
- 13.40 Cadaver wet lab**
Femur
Surgical approach of the femur and fracture fixation with plate and rod
- 15.40 Coffee Break**
- 16.10 Plenary discussion on post-op radio-graphs Femur ed Humerus
- 17.00 Question and Answers
- 17.15 Closing Cerimony
